"Chai Pani etc", a film by Manu Rawal, is proving to be surprisingly popular here. In fact, it has been the biggest draw after "Shwaas".

Set in Delhi and Jaisalmer, it is the comic coming-of-age story of Satya (Zafar Karachiwala), an idealistic,

US-returned filmmaker. He is torn between his commitment to his old girlfriend, the fun-loving fashion designer Radha (Konkana Sen Sharma), and his new-found attraction, Shanti (Konkana in a double role), Radha's classmate from the fashion school.
